## VIII. Late Work

Unless prior approval is received, late submission of assignments will result in a grade deduction of one half-letter grade (5%) for each calendar day (not including Saturdays, Sundays, or holidays) that the assignment is late.

## IX. Attendance

In this hybrid class, attendance will be assessed through assignment submissions and Blackboard logins. A login on our class’s Blackboard website or a submission of an academic assignment (reading quiz, discussion board, etc.) will count as attending class for the week. Students may attend the class in person, but in-person attendance is not required.

Any student who fails to login to the class's Blackboard website or submit an assignment for **three consecutive weeks will be dropped** from the course with a grade of "X" if the student has a passing grade average at that time. If the student is failing, due to poor work or missing assignments, the student will be given a grade of "F."

## **X. In-Person Student Code of Conduct Policy**

Any successful learning experience requires mutual respect on the part of the student and the instructor. Neither instructor nor student should be subject to others' behavior that is rude, disruptive, intimidating, aggressive, or demeaning. Student conduct that disrupts the learning process or is deemed disrespectful or threatening shall not be tolerated and may lead to disciplinary action and/or removal from class.

If a student is exhibiting disruptive behavior (for example, talking loudly without permission), I will give him or her a warning. The second time this happens, I will tell the student to leave class, and the student will be counted absent for the day. I will also contact the dean. The dean will usually contact the student to schedule a time to discuss the cause of the disruptions. After this, if there is a third disruption, I will ask the student to leave class and drop the student from the course with a grade of "F."
